NOTE TO: Deputy Director for Administration

FROM: [REDACTED] OCA

SUBJECT: Oversight Hearings on Security Scheduled for 15 June

1. Bernie Toon, HPSCI staff, informed me today that Rep. Beilenson, Chairman of the Subcommittee on Oversight and Evaluation will hold hearings on 15 June on issues related to security. Beilenson will request testimony from [REDACTED] and the Director of Security, NSA.

2. The purpose of the hearings is to discover the progress we have made in implementing the recommendations contained in the HPSCI report of last year on security. That report focused primarily on personnel security. Toon has agreed to provide an outline of the topics Beilenson wants covered.

3. I will forward the HPSCI report to D/OS and work with OS on preparing the testimony. I will keep you informed.
